*Buy-down offer requires participation in the Affiliate Incentive Program which includes financing through Pulte Mortgage LLC and is available for new contracts accepted by Pulte by 11/26/18 and that close escrow on or before 12/30/2018. Offer is subject to change or withdrawal at any time without notice. Buyers participating in the Affiliate Incentive Program will receive a credit at closing in an amount that is up to 3% of the purchase price of the home for the payment of approved closing costs and prepaids, including cost of the temporary 6-month interest rate buy down. Any unused amount of this credit is the property of the seller and may not be applied to purchase price. The average savings of \$930.98 per month is based on the example. The following example is based on the seller paying an amount up to 3% of the purchase price of the home for participation in the Affiliate Incentive Program, toward approved closing costs and prepaids, with \$5,585.88 toward the cost of the temporary buy down and \$900 towards discount points. The example is based on a conventional 30-year fixed rate mortgage with a 6-month interest buy down, sales price \$400,000, loan amount \$360,000 with a 10% down payment. The temporary buy down would result in the borrower's mortgage payment bought down for the first 6 months by seller to \$1,619.20 based on a rate of 0.000%, months 7-360 will be a monthly mortgage payment of \$2,550.18 based on the Note rate of 4.999%/5.224% Annual Percentage Rate effective 10/25/2018. Payments include principal, interest, mortgage insurance, estimated property taxes and hazard insurance.
